**E. USA/Canada Forum** - PDG Dean Haas reported that it will be September 18-20 in Saskatoon, Saskatchewan, Canada.

**F. WLF** - PDG Tom Clausen updated everyone on the WLF. There were 1500 campers this past year. WLF needs financial support. It takes 1.7 m to run our foundation. Make your general donation foremost, other programs are great but the camp should be first. WLF will be redoing their budgets due to shortfalls. Health lodge is installing smoke alarms. District 27 B1 sent the 2<sup>nd</sup> largest group of campers. Clubs should send enough to cover the cost of campers from their area. WLF still runs "Youth Service Appreciation Awards" Lion Mary Jo asked for an article to explain where funds and donations actually go. PDG Steve Pautz will submit.

PDG Tom Clausen reports that all monies should be sent to WLF. Presently they have money for audiologist but no money to purchase hearing aids. It is a good program if it can self fund itself. Lion Howard says it is very worthwhile. Discussion to follow, if all monies were paid in, who controls, who pays in, how much, do they only get credit for their donation and everything after is the district responsibility?? No agreement to transfer funds could be met, continue now as we have in the past by paying audiologist's fees. **TABLE DISCUSSION TO NEXT MEETING**

He will coordinate the design with DG Vern. **Motion made** by Lion Irv Korth and second by PDG Vic that Lion Harvey should **proceed with design and pin ordering for 2008 District Convention**. **CARRIED** Lion Harvey also has quantities of L O S still available from previous conventions. **BB. Advisory/Long Range Planning** co chair PDG Herb Schneider is recovering from back surgery. The committee of PDG Herb, PDG Steve Groene and PDG Tom King submitted the following report. The Long Range Plan would be to re-examine the structure and responsibilities of the Cabinet as a whole.

The reasons are :

- 1) Our costs to operate increase each year.
- 2) Conventions have been making changes to be more interesting, but attendance has not improved.
- 3) District is stagnant, losing clubs not gaining.
- 4) Membership dwindling, we can't get a handle on what to do to turn it around.

It seems that what is needed is a rejuvenation of what we have to move forward. Therefore we feel the way to start is two fold – more indoctrination of who we are and what we do and to review each Cabinet job description from DG down to new and old members of each Lions club. Give them your thoughts and hopefully our District can start bringing Life back to Lionism in District 27 B1.

**“ NO ONE CAN DO MUCH ALONE, BUT WITH THE STRUCTURE WE HAVE, WE CAN INVOLVE MANY AND MAKE THE JOB POSSIBLE.”**
