## BEING A LION

- . . . means that I have an obligation to my Lions Club to:*
- give freely of my time and talent to the club
  - attend all club meetings unless out of town or ill
  - give Lionism the preference in case of conflicting dates
  - make up missed meetings and report to secretary so that Club's attendance report is not affected by my absence
  - always be available for committee and other assignments
  - familiarize myself with the Constitution and By-Laws of my club, the Multiple District and the International Association of Lions Clubs
  - become informed of the objectives and aims of Lionism, the Lions Code of Ethics, and the customs, rules and practices of my Club, District, and International
  - mutually share the knowledge and rewards of Lionism with my wife
- support club officers at all times.*
