

GOD'S GREATEST GIFTS

Forever are, the eyes with which we see a star, a baby's smile, a mother's face and clouds that hang like silver lace. But time for each is but a span of days, so let us start to plan the gifts beyond all price, a gift that costs no sacrifice, let's Will our eyes to those gone blind and leave a part of us behind, this modern Miracle of Love.

BEING A LION

means that I have an obligation to my Lions Club to:

- give freely of my time and talent to the club
- attend all club meetings unless out of town or ill
- give Lionism the preference in case of conflicting dates
- make up missed meetings and report to secretary so that Club's attendance report is not affected by my absence
- always be available for committee and other assignments
- familiarize my self with the Constitution and By Laws of my club, the Multiple District and the International Association of Lions Clubs
- become informed of the objectives and aims of Lionism, the Lions Code of Ethics, and the customs, rules and practices of my Club, District, and International
- mutually share the knowledge and rewards of Lionism with my wife
- support club officers at all times
